LIST OF TRANSITIONAL WORDS FOR WRITING ESSAYS

John A. Braithwaite

The following is a list of transition words to help students write more fluently and meaningful essays.

- I. Indicating similarity or addition: (26)
 again
 also
 and
 another
 as
 as if
 as much as
 as though
 besides
 equally
 equally important
 for
 for example
 for instance
 further(more)
 in addition
 in addition to
 in a like manner
 in fact
 in general
 in the same fashion
 likewise
 moreover
 of course
 similarly
 too
- II. Indicating dissimilarity, or contradiction (32)
 although
 and yet
 another
 as if
 away from
 besides
 but
 by comparison
 conversely
 differing from
 even if
 even though
 however
 in comparison
 in comparison to
 in place of
 in spite of
 instead
 less important
 neither
 nevertheless
 notwithstanding
 on the contrary
 on the other hand
 otherwise
 still
 than
 unfortunately
 unless
 whereas
 while
 yet
- III. Indicating cause, purpose, consequence, or result (21)
 as
 accordingly
 as a result
 because
 consequently
 for
 finally
 for this reason
 fortunately
 hence
 in any case
 in fact
 it began with
 of course
 provided that
 since
 so
 then
 therefore
 thus
 unfortunately
- IV. Indicating spatial order or reference (42)

Persuasive Writing: Signal Words

TRANSITIONAL PHRASES

INTRODUCTORY PHRASES			
In my opinion	There is no doubt that	I question whether	
I believe	From my point of view	I (dis) agree with	
It is my belief that	It seems to me that	I maintain that	
CONCLUDING PHRASES			
For the reasons above	In short	In brief	
As you can see	To be sure	Undoubtedly	
As I have noted	Without a doubt	In any case	
In other words	Obviously	Summarizing	
On the whole	Unquestionably	In any event	
SUPPORTING OPINIONS			
First	Equally important	Besides	Further
Furthermore	In the first place	Next	Again
Second	Likewise	Moreover	Similarly
Third			
Also			
Finally			
Last			
INTRODUCING DETAILS			
For example	For instance	In support of this	
In fact	As evidence		
CAUSE AND EFFECT			
Since	Caused by	In effect	
Because of	This results in	Brought about	
Due to	Consequently	Made possible	
For this reason	Accordingly	As might be expected	
Therefore	As a result of	Give rise to	
If...then	Leads to	Was responsible for	
COMPARE AND CONTRAST			
Similarly	Likewise	As well as	
Compared to	In the same way	Have in common	
In like manner	Contrasting	All are	
On the other hand	On the contrary	The same as	
Although	As opposed to	Conversely	
Even though	Rather than	Whether or not	
	Nevertheless	In spite of	
COUNTERING			
I realize you	Believe	But	
I understand you	Feel	Yet	
Even though you	Maintain	However	
Although you	Want	I doubt	
Some people	Favour	I question	
It may be that you	Support	Let me explain	
Your idea to —	Argue	On the other hand	
deserves some merit	State	Nevertheless

It should be noted	Apart from this	Differing from	First and foremost

A memo can record the details of a staff meeting, a policy change or even an employee's performance. 7. Proofread Once you're done writing, look for mistakes in the memo. For instance, if the memo is essentially an announcement about a policy change, the body can consist of one paragraph describing the change and its consequences for employees. This will be your subject and opening sentence. Again, be as specific as possible, but depending on the subject matter, you may choose to divide the body into smaller sections with subheadings. We are confident that these strategies will lead to a boost in our sales. Know the Format. Essentially, a memo has just two parts: a heading (which we'll explain below) and a body (the text of the memo). Read your memo at least two or three times, keeping a lookout for typos or grammar errors. Some phrases and sentences that you can use include: I look forward to your support in this matter. FluentU, for example, has a large library of culturally-relevant short English videos with a dedicated section for business-related material. Write a draft: First make a draft of your memo listing all the possible points you can think of. In other words, what's your reason for writing it? It's most likely to end on a call to action—suggesting/telling the reader to do something specific to improve the situation. In this article, we'll give you all the tools you need to write memos in business English that impress everyone in your office. Even if you're writing about an employee's inadequate performance, don't berate or use sharp words. Secure Payment Methods We accept only Visa, MasterCard, American Express and Discover for online orders. You can summarize the issue in a positive manner or include a positive call to action. Decide the audience for your memo: Ask yourself, do you really need to send it to all the employees in a particular department, or just the executives? If you're printing it out, you can choose to sign or stamp the memo, but the signature isn't really necessary. You can also keep an eye out for unnecessary details that could be cut. Edit your draft: Now go back to your first draft. In fact, the first sentence should summarize the reason why the memo was written. For example, here's a sample opening: "I've noticed that the quarterly book sales have dipped by 10%, so it would be prudent to think of different marketing strategies to promote our upcoming line of authors." This tells us that the memo is going to be about the dip in sales and the ways it can be countered. 5. To see how it looks when done correctly, check out these sample memos: WikiHow's memo tutorial plus sample memos to customers/coworkers/a boss Sample memo from the online writing resource Purdue OWL 2. It looks for spelling and grammar mistakes in the context of your writing (for example, it notices correctly spelled words that are used the wrong way). Assuming that you're typing it out, make sure your paragraphs are left-aligned. Label Your Memo Make it clear that it's a memo and not a notice or any other official document. Think of the introduction as opening with a thesis statement, followed by examples illustrating it. An essay is a type of assignment in which you present your point of view on a single topic through the analysis and discussion of academic sources. Ever heard this proverb before? You can spend two to three lines discussing the issue in a bit more detail, by stating facts and figures or dates and names, to highlight the sense of urgency and importance. Do use bullet points: If you have several issues to cover in the body, break it up using bullet points. Anonymous Chatting At GradeMiners, you can communicate directly with your writer on a no-name basis. It may be a note left on your desk, a bulletin on the company notice board or an email sent to all employees. You can highlight the actions steps that should be taken, or the issues that are at stake. 1. One more thing to remember: memos can be sent as emails, but not every email is a memo. We're Obsessed with Your Privacy 1. Then read once more to ensure you've covered everything you wanted to. When it comes to proofreading, you're not completely on your own! Turn on your spell checker, or better yet, run your memo through an intelligent editing tool like Grammarly. Do's and Don'ts of Memo Writing Keep these rules in your head as you're writing the memo, to be on the safe side. You then support your thesis statement in the body of the essay, using relevant ideas and evidence from appropriate sources. The videos all have interactive captions to let you look up unfamiliar words as you see them and multimedia flashcards for reviewing the business terms you're learning. Go through the memos others have written, especially the ones who have a higher position in the company. Ask yourself, "Can I write this sentence in a more clear or direct way?" Don't forget to review: Even if you're in a hurry, make sure you carefully review and proofread your memo before sending it. We hope that this new policy change will be of greater benefit to our employees. The conclusion should be about one or two sentences long (though it'll depend on your memo topic). This will keep your memo easy to read and understand quickly. It is important that you present your own ideas, opinions and analyses throughout your essay. Do be succinct: Don't include unnecessary details or use tons of adjectives. And luckily there are countless books, web resources and apps out there to help you do that. You can use this analysis to construct your own opinions, questions or conclusions. When writing an essay, you need to have a clear position on a topic (sometimes called a thesis statement) in the introduction. Archita Mitra is a freelance writer, artist, educator and a self-taught Italian speaker. Usually, an essay has the format of an introduction, body paragraphs and a conclusion. Critical analysis is essential to essay writing. We'll provide more in-depth guidance for proofreading later in this post. Establish the purpose of your memo: Identify the main purpose or "takeaway" of the memo. Although they can take different forms, memos are always written in a particular format and in a formal style (which we'll cover below). However, it would be better to break your memo into shorter body paragraphs or bullet points if you're doing any of the following: Exploring potential solutions to a complicated company problem Listing the different topics covered in a recent meeting Highlighting three or more issues 6. Write a Concise Introduction Unlike most emails and letters, memos don't require opening salutations. Grammarly is like a smarter, super-charged spell checker. Feel free to contact her on LinkedIn for freelancing inquiries. Good memos can help you plan effectively, solve problems, support a transparent workplace and boost your career. Contents So What Is a Memo? They're used to communicate within a workplace, so they're often very dry and direct. The first step you should take before writing memos is to learn the appropriate business vocabulary. Write the Memo Body After the brief opening paragraph, you can use the memo body to add more information. But that doesn't mean you should ignore them in your business English studies. Another engaging way to learn business English is through authentic English content, like TV shows and movies that are set in an office. You could also try a virtual immersion platform. Create Your Heading Generally, the pattern goes like this: To: (the people you're sending it to—use complete names and job titles) From: (your name and job title) Subject: (the reason you're writing the memo) Date: (including day, month and year) A sample heading of a memo would look like this: To: Alice Arora, Marketing Research Assistant From: Ajay Dugar, Sales Manager Subject: Quarterly Sales Promotion Date: October 15, 2017 Remember to use only official names (no nicknames or short forms) and keep the subject as specific and direct as possible. Be detached but polite in your criticism. I am excited to discuss your opinions in the next meeting. And even if you goof up, don't fret, but learn from your mistakes. Practice makes perfect! You can improve your memo writing skills by taking a random topic or a workplace issue, writing a brief memo about it and then having a peer or study buddy evaluate it. It means you should plan before you take action, and it's true for life as well as memo-writing. 3. No slang words or colloquial language. Don't use informal/emotional language: Keep it strictly formal. Complete Confidentiality Your personal details remain confidential and won't be disclosed to the writer or other parties. In fact, writing clear memos in the correct format is essential to communicating effectively with your boss and coworkers. End with a Conclusion Now you can finish your memo by writing the conclusion. Of course, your first memo won't be perfect, but if you follow the instructions you're sure to come up with a fairly decent one. Simply write "Memorandum" or "Memo" at the top of the page. Narrow down your points to the most important and essential ones. It provides explanations of all the mistakes it finds, and even tracks your progress so you become a better business English writer with every memo, letter and email. 2. Instead, just plunge into the topic straight away without bothering with a "Dear Ms. Jones..." Don't waste space introducing yourself or giving a detailed overview of the issue. What to Do Before You Start Writing a Memo Look before you leap. Now that the guidelines are clear, let's plunge right in. A memo (short for memorandum) is a note or a document typically sent from one person to one or more people within the same company. 4. When you use someone else's ideas, you must correctly acknowledge it through referencing. Essay writing is different to: 1) reflective writing, which is based primarily on your personal experiences 2) report writing, which focuses primarily on reporting facts and making recommendations. Guide to essay paragraph structure (PDF, 106.5KB) (PDF, 67.6KB) Memos may not be the most interesting thing to write in English. Thank you in advance for your continued support. Next, it's a good idea to sit down with a pen and a piece of paper (yes, the old-fashioned way) and follow these planning steps: 1. One way you can demonstrate this is by summarising and paraphrasing other writers, by comparing, contrasting and evaluating their ideas.

2021-09-02 · Basic Paragraph Format. It is important to note that a paragraph does not have a minimum or maximum number of sentences that it must have to fit the definition of a paragraph. When you want to use commas and semicolons in sentences and when you are concerned about whether a sentence is or is not a fragment, a good way to start is to be able to recognize dependent and independent clauses. Following these examples will give you an idea about the structure and formation of your lab report. The importance of format and structure can not be denied in the writing world. Especially when you are writing something for your academics, it needs to ... 2020-07-06 · How to write a conclusion paragraph that leaves a lasting impression - In this guide, the team at EssayPro — custom dissertation writing service — is going to walk you through the process of writing a perfect conclusion step by step. Additionally, we will share valuable tips and tricks to help students of all ages impress their readers at the last moment. These words indicate that your paper is linking a sentence or paragraph together by contrasting how two things different. Contrast transition words make it clear that two pieces of information will be contrasted. The list below showcases some contrast words that will be effective in your writing: Unlike; Nevertheless; On the other hand; Nonetheless Essay Fountain: A custom essay writing service that sells original assignment help services to students. We provide essay writing services, other custom assignment help services, and research materials for references purposes only. Students should ensure that they reference the materials obtained from our website appropriately. Paragraph B: points that contradict the view that El Pais's new government is very democratic. In this case, the transition words "Despite the previous arguments," suggest that the reader should not believe paragraph A and instead should consider the writer's reasons for viewing El Pais's democracy as suspect. The original sentences should not be used while precis writing examples. It is a re-modeling of sentences without hampering the main information. The language and words used for precis paragraph format show the intelligence of the writer. It would help if you did not use any words or phrases from the original passage. You should also avoid repeating key names and words too many times. Instead, use pronouns that refer back to earlier key words. For example: it, they, their, this, these, that, those. Further examples of linking words in academic writing: Common linking words, University of Wisconsin; Academic Phrasebank, Manchester University
